

Ref.No.029/2020

Monday 2nd March 2020

Term 2 Individual Study Plans

Dear Secondary parents/guardians,

This year, Bloomsbury International will be sending parents Individual Study Plans for every secondary student (Year 7 to Year 11). These will be sent out in the middle of each term and will serve to better inform parents on the progress their child is making in school. Each report will include:

* In terms two and three it will include an update on Bloomsbury's internal assessments.

* The student's plans for the future. Students individually discuss with their Careers Officer to determine which classes they will be interested in attending at the next stage of their education. This direction becomes more and more important in later years when the choices students make start to shape their future careers.

* A set of personalized study goals. Students are given targets to reach as they progress throughout the year.

We had initially planned to invite parents in to speak to their child's teachers regarding the I.S.P.s on Friday the 6th, however due to concerns over the spread of Covid-19 we have cancelled assemblies, E.C.A.s and other minor events such as this that bring students in contact with more people from outside the school. If you have any concerns or questions regarding the ISPs (Individual Study Plans) then please contact me.

Kindest regards,

Ryan Windsor

Secondary Coordinator
